**A MANDATORY REVIEW of the project will be conducted on site at the Rocky Boy Elementary School on June 28, 2013 at 1:00 pm.** GCCM candidates must sign in at the main office lobby. Failure to attend this **mandatory review** by at least one member of the proposing firm's team will result in disqualification of that firm.

The intent of this solicitation is to identify qualified GCCM candidates interested in participating in a collaborative process to bring the School District's Project to fruition in a timely and cost-efficient manner. From the list of interested and qualified GCCM candidates, the School District will select the GCCM firm which is best qualified and best suits the School District's needs and intent regarding the Project. It is anticipated that the selected GCCM will initially provide Preconstruction phase services and, assuming that the School District's financial conditions attendant to the Project are met, will move forward with the provision of Construction phase services.

GCCM candidates must be able to show the ability to bond a \$750,000 dollar project and show a minimum of two (2) successful projects in excess of \$250,000 in the past five (5) years (performed as either a GC or GCCM). The GCCM shall comply with all fair labor practices and must meet the requirements of all local, state and federal statutes. The funding for these services may consist in whole or in part of federal education funds received under 20 U.S.C. §§ 7701 et seq. and, in accordance with the requirements of 25 U.S.C. § 450e, the procurement of these services will be subject to a **PREFERENCE for qualified Indian organizations or Indian-owned economic enterprises** as more fully set forth in the Qualification and Proposal packet.

The School District reserves the right to reject any and/or all responses, to waive any and/or all informalities or technicalities, and to act in the best interest of Rocky Boy School District.
