INSTRUCTIONS ON HOW TO VOTE ON AN AUTOMARK VOTING SYSTEM

The AutoMARK is a ballot-marking system that is available for use at the polls during the upcoming election. Its main purpose is to allow voters with disabilities and other special needs to mark a ballot privately and independently.

1. Inform the election judge at your polling place that you wish to vote using the AutoMARK.
2. You will be issued a regular ballot.
3. Insert the ballot (with stub removed) into the ballot feed tray on the front of the machine.
4. The screen will display instructions and the ballot choices.
5. The following helpful options are available:

a. Change contrast and font size for readability
b. Audio headphones
c. Braille keypad
d. Connection for Sip n Puff personal device

6. Make your selections by using the touch-screen capability, or by using the keypad
7. After you have completed your selections, the AutoMARK will confirm your selections on the screen, and by audio if you select the audio option.
8. After verifying your selections, the AutoMARK will mark and print your ballot.
9. Return the marked ballot to the election judge.
10. If you need assistance anytime during the process, simply request it.
