HARVEY G HERRIG and TERESA GAYE HERRIG, as Grantors, conveyed said real property to First American Title Company of Montana, a Montana Corporation, as Trustee, to secure an obligation owed to Mortgage Electronic Registration Systems, Inc. (MERS) as Designated Nominee for Universal American Mortgage Company, LLC, a Florida Limited Liability Company Beneficiary of the Security Instrument, its successors and assigns, by Deed of Trust dated on October 15, 2015, and recorded on October 15, 2015 as Book 178 Page 184 under Document No. 598509 and Re-recorded on October 30, 2015, as Book 178, Page247 under Document No.598709.

The beneficial interest is currently held by Eagle Home Mortgage, LLC. First American Title Company of Montana Inc., a Montana Corporation, is the Successor Trustee pursuant to a Substitution of Trustee recorded in the office of the Clerk and Recorder of Hill County, Montana.

The beneficiary has declared a default in the terms of said Deed of Trust by failing to make the monthly payments beginning December 1, 2016, and each month subsequent, which monthly installments would have been applied on said obligation and other charges against the property

or loan. The total amount due on this obligation as of May 13, 2017 is \$86,811.63 principal, interest totaling \$1,850.38 late charges in the amount of \$67.52, escrow advances of \$549.55, and other fees and expenses advanced of \$115.92, plus accruing interest, late charges, and other costs and fees that may be advanced.

Beneficiary has elected, and has directed the Trustee to sell the above described property to satisfy the obligation.

The sale is a public sale and any person, including the beneficiary, excepting only the Trustee, may bid at the sale. The bid price must be paid immediately upon the close of bidding in cash or cash equivalents (valid money orders, certified checks or cashier's checks). The conveyance will be made by Trustee's Deed without any representation or warranty, including warranty of Title, express or implied, as the sale is made strictly on an as-is, where-is basis, without limitation, the sale is being made subject to all existing conditions, if any, of lead paint, mold or other environmental or health hazards. The sale purchaser shall be entitled to possession of the property on the 10th day following the sale.

The grantor, successor in interest to the grantor or any other person having an interest in the property, at any time prior to the trustee's sale, may pay to the beneficiary or the successor in interest to the beneficiary the entire amount then due under the deed of trust and the obligation secured thereby (including costs and expenses actually incurred and attorney's fees) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default.

The scheduled Trustee's Sale may be postponed by public proclamation up to 15 days for any reason, and in the event of a bankruptcy filing, the sale may be postponed by the trustee for up to 120 days by public proclamation at least every 30 days.
