WANTED

News Photographer

The Havre Daily News is seeking a full-time news photographer.

The right photographer will be an independent worker with a passion for news who can expect to work on an array of stories including community events, breaking news, features and a small amount of sports. We employ a full-time sports photographer, so the emphasis for this position is editorial work.

Working at a small paper with a strong emphasis on hyper-local news demands a flexible schedule that will include nights, weekends and holidays, but we understand the importance of providing days off. This position has acted as an excellent starting point for many photojournalists, and we are excited to take on a quality candidate beginning their career in news photography.

We offer a comprehensive benefit package including medical, 401K, paid holidays and vacation. Please send a letter, resume, references and links to your portfolio showing a variety of breaking news, sports, feature photos and project work to head editor Tim Leeds at tleeds@havredailynews.com.
