I'm Free
Don't grieve for me, for now I'm free
Following the path God has chosen for me
Heck who heard when I heard his call,
I turned my back and left it all.

Footprints
One night a man had a dream, he
dreamed he was walking along the beach
with the sand. Across the sky flashed scenes
from his life. For each scene, he noticed two
sets of footprints in the sand: one belonging
to him, and the other to the Lord.
When the sun came up the next morning,
he looked back at the footprints
in the sand. He noticed that many
times along the path of his life there was
only one set of footprints. He also noticed
that it happened at the very lowest and
saddest times in his life.
This really bothered him and he
questioned the Lord about it. "Lord,
you said that once I decided to follow you,
you'd walk with me all the way. But I have
noticed that during the more troublesome
times in my life, there is only one set of
footprints. I don't understand why when I
needed you most you would leave me."
The Lord replied, "My son, my presence
is with you, and I would never be
leaving your times of trial and suffering.
You see only one set of footprints because
I was there that I carried you."

Hope
In the sunshine
Amidst the flowers
She waits for me.
