Request for Proposals:
 Fort Belknap Indian Community (FBIC) is hereby requesting proposals from qualified firms or individuals to develop a comprehensive disaster recovery and resiliency economic development plan, focused on pandemic recovery and resiliency.

Successful contractor will have capacity to immediately mobilize and conduct all subject matter expertise and related requirements associated with the Fort Belknap Indian Community's EDA CARES ACT grant. Contractor will have demonstrated successful experience authoring and being awarded via a tribal entity an EDA CARES ACT grant. Contractor will also have experience developing survey questionnaires, and current experience working with COVID19 disaster response, mitigation and recovery, including but not limited to sustained support of clinical, business and public health operations. Contractor must also demonstrate at least 5 continuous years of experience delivering high level program evaluation services, preferably in tribal settings. Preference will be given to contractors that have extensive experience in tribal, regional, and national program evaluation, including recent or current Indian Health Service and CDC program evaluation programs serving tribes in the Billings Area Office Administrative Area.

Contractor must be in compliance with the Fort Belknap Tribal Employment Rights Office Registration, business license, compliance, and fees, and Federal System of Award Management registration apply, with a current Certificate of Liability Insurance for Commercial General Liability coverage. Proposals will be accepted via email until C.O.B. April 8, 2022 at 5:00 p.m. (MST).

This RFP does not constitute a contract for services performed or to be performed. Following the selection of the successful consultant, the FBIC and contractor will negotiate a contract including full scope of services. The project scope of work can be requested via email from Camia Edwards, Economic Recovery Coordinator at camia.edwards@fibelknap.org or 406- 353-8388

Notice of Public Hearing And Review of Environmental Review Record

The Hill County Commissioners will hold two public hearings to gather input regarding a draft Preliminary Engineering Report, the submittal of a Montana Coal Endowment Program (MCEP) application, and for the purpose of obtaining comments regarding the environmental review record for the replacement of the Cottonwood Road Bridge over the Milk River located 30 miles northwest west of Havre.

- The meetings will be held:**
- Wednesday April 6, 2022 at 6:00 p.m. at the Community Center at the Great Northern Fairgrounds in Havre, MT.
 - Thursday April 14, 2022 at 11:00 a.m. at the Hill County Courthouse, 315 4th St., Havre, MT 59501.

At the public hearing, the proposed project will be explained, including the purpose and proposed area of the project, activities, budget, possible sources of funding, and any costs that may result for local citizens as a result of the project. All interested persons will be given the opportunity to ask questions and express opinions regarding the proposed project and any environmental impacts. A decision will be made on the environmental assessment at the meeting on April 14, 2022.

Comments may be given orally at the meetings or submitted in writing before April 11, 2022 at 5:00 p.m. Information requests and written comments should be directed to Jonathan Weaver, Great West Engineering, 2501 Belt View Drive, Helena, MT 59601 or jweaver@greatwesteng.com.

Anyone wanting to review the environmental review record and project impacts or submit questions and comments should contact Jonathan Weaver or the Hill County Commissioners. Copies of the draft environmental record are available at the office of the Hill County Commissioners and will also be available at the public meetings.

 Ad will be seen in the Havre Daily News, The Hi-Line Shopper & HDN online.

5 Reasons to Read the Newspaper

1. Stay up-to-date on current events in the community, state and nation - especially during the pandemic and disasters.
2. Reading helps people of all ages expand their vocabulary.
3. Newspapers are your one-stop source for employment, housing, business, legal notices and community events in your area.
4. Thanks to smartphones, tablets, laptops, televisions, and video games, the average person is exposed to various media throughout a typical day. Reading is a healthier alternative that exercises the mind and aids in better rest.
5. Students who read the newspaper, have improved scores on standardized tests and performance in the school, according to researchers at the University of California, Berkeley.
