REQUEST FOR PROPOSALS RFP ID# 24-CCT-031 CCT/OWPDG Chippewa Cree Tribe of the Rocky Boy Reservation

November 27, 2023 Project Overview

The Project proposal is based on the Chippewa Cree Tribe Orphaned Well Program Development Grant, herein referenced as CCT/OWPDG D23AP00231-00. This request for proposals does seek the services of a Professional Engineering firm to provide assistance to the Chippewa Cree Tribes efforts to devise full scale Chippewa Cree Tribal Orphaned Well Program on the Rocky Boys Indian Reservation. Principle work items, requested as part of this call for proposals, will include, assisting the tribe to carry out the following:

- · Identify and characterize undocumented orphaned wells located on the Rocky Boy Tribal Lands
- Create an accurate inventory and database of orphaned wells located on Chippewa Cree tribal lands
- Develop a methane monitoring program including surface and groundwater program development to include plans for monitoring methane emissions and environmental impacts.

2. Project Background

The Grand Award CCT/OWPDG D23AP00231-00 originated from the "Infrastructure Investment and Jobs Act, Public Law 117-58". This once in a generation funding provides the Chippewa Cree Tribe with the opportunity to reinvest in the tribe's infrastructure and economic competitiveness. Additionally, this funding intends to allow the tribe to further examine the climate change crisis, address legacy polluted sites, advance tribal environmental justice and drive for the creation of good paying tribal jobs on the Rocky Boy's Reservation

In section 40601(d) of P.L. 117-58 there is specific language that articulates the requirements for implementing and reporting activities designed to plug, remediate and reclaim orphaned wells on tribal land. This intent is the purpose of the Chippewa Cree Orphaned Well Program Development Grant. Specific details will require to the offeror:

- Train Chippewa Cree Tribal Personnel in the running of an orphaned well program to build capacity in the area of environmental compliance and monitoring as well as program operation
- · Train an develop tribal staff members to conduct public outreach ef forts and stakeholder engagement to sustain the program.
- Develop the required procedures and protocols to create a wellplugging program and abandonment restoration plan.
- Assist tribal stakeholders in the research and identification of well sites through proper assessment, including researching owner and operator information.
- Assess and characterize the number of orphaned wells on tribal properties, within the boundaries of the Rocky Boy's Reservation, especially those that include areas of cultural significance and or culturally sensitive community

3. Statement of Qualifications A. Bidder Information - name, ad-

dress, telephone, and website (if available). Include the name, title, and e-mail address of the individual who will serve as the primary contact. Include a brief description and history of your firm.

B. Project Approach - please explain your project approach, style, and process. If you have worked with the Chippewa Cree Tribe in the past, please specify which projects.

- C. Estimated Cost must include cost for all work related to tasks and deliverables outlined in the schedule and timeline. D. Business License and TERO Fees
- the firm must work with the CCT TERO regarding business licensing and TERO fees Each proposal must be submitted

in a sealed envelope. Each sealed envelope containing a BID must be plainly marked on the outside as "BID for [PROJECT NAME]" and the envelope should bear on the outside the name of the BIDDER, his or her address, and his or her license number.

If forwarded by mail, the sealed envelope containing the BID must be enclosed in another envelope addressed to the PROCUREMENT at 96 Clinic Road, Box Elder, Montana, 59521
