The Beneficiary has declared a default in the terms of said Deed of Trust due to the Grantor(s) failure to make monthly payments beginning June 1, 2023, and each month subsequent, which monthly installments would have been applied on the principal and interest due on said obligation and other charges against the property or loan. By reason of said default, the Beneficiary has declared all sums owing on the obligation secured by said Trust Deed immediately due and payable. The total amount due on this obligation is the principal sum of \$101,995.53, interest in the sum of \$2,305.52, escrow advances of \$2,208.25, other amounts due and payable in the amount of \$655.40 for a total amount owing of \$107,164.70, plus accruing interest, late charges, and other fees and costs that may be incurred or advanced.

Other expenses to be charged against the proceeds of this sale include the Trustee’s fees and attorney’s fees, costs and expenses of the sale, and late charges, if any.

The sale purchaser shall be entitled to possession of the property on the 10th day following the sale.

The Grantor, successor in interest to the Grantor, or any other person having an interest in the property, has the right, at any time prior to the Trustee’s Sale, to pay to the Beneficiary, or the successor in interest to the Beneficiary, the entire amount then due under the Deed of Trust and the obligation secured thereby (including costs and expenses actually incurred and attorney’s fees) other than such portion of the principal as would not then be due had no default occurred and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Deed of Trust with Successor Trustee’s and attorney’s fees. In the event that all defaults are cured the foreclosure will be dismissed and the foreclosure sale will be canceled.

The scheduled Trustee’s Sale may be postponed by public proclamation

up to 15 days for any reason. In the event of a bankruptcy filing, the sale may be postponed by the Trustee for up to 120 days by public proclamation at least every 30 days.

If the Trustee is unable to convey title for any reason, the successful bidder’s sole and exclusive remedy shall be the return of monies paid to the Successor Trustee and the successful bidder shall have no further recourse.

This is an attempt to collect a debt and any information obtained will be used for that purpose.

PRACTICE DEMOCRACY.
READ YOUR LEGAL NOTICES.
THEY'RE CRUCIAL TO
DEMOCRACY.

The reason publication of legal notices is required in newspapers is YOU, the citizen. In a Democracy, the government is required to inform you of the public business, because you and your neighbors are the basis for government. These notices provide essential information about all local government entities, including schools, cities, villages, and counties. A Democracy is a system of checks and balances. Your right to know and be informed is a check on government. Public notices shed light on the actions of all governmental bodies, but it's up to you, the citizen, to read them and obtain more information if necessary about the actions that impact you.
