Neither Buyer nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

All Bids shall be prepared according to the Instruction to Bidders contained within the Project Manual. Each Bid shall be accompanied by **A SEPA-RATE ENVELOPE** containing Bidder's Security (and other documentation as outlined in Article 3 – Qualifications of Bidders, as printed in the Instructions to Bidders), payable to the Chippewa Cree Construction Corporation, in a sum equal to ten percent (10%) of the full amount of the Bid, executed by the Bidder as principal and by a surety company authorized to do business in the State of Montana, conditioned that if the principal's Bid be accepted and the contract awarded, principal, within fifteen (15) days after Notice of Award, will execute and effect a Contract in accordance with the terms of the principal's Bid and a Contractor's Bond as required by the laws of the State of Montana. Only Bids that are accompanied by such a Bond (and other Qualifications) will be considered. Successful Bidders will be required to furnish an approved Performance Bond and a Labor and Materials Payment Bond, each in the amount of one-hundred percent (100%) of the contract amount as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract. Insurance, as required, shall be provided by the successful Bidders and certificate(s) of that insurance shall be provided. **All Bidders shall strictly follow the directions outlined in the Instructions to Bidders when submitting their bid.**

The project will be funded with federal funds from the Bureau of Reclamation (BOR). The ensuing contract between Owner and Contractor requires conformance with all requirements of participating funding agencies, generally outlined in Section 00 73 40 – Funding Agency Special Provisions. Bidder shall be responsible for understanding its responsibilities under each of these participating funding agencies.

Those requirements include, but are not limited to, the following:

- The Montana Department of Labor and Industry Requirements
- DBE Subcontractor Solicitation Requirements
- Wage Determination Requirements (Davis Bacon and Montana prevailing wage)
- Gross Receipts Withholding Requirements
- TERO Requirements
- Equal Employment Opportunity Requirements Under Executive Order 11246
- Contractor Eligibility and Certification Regarding Debarment

All Bids will be made on the basis of cash payment for such work. The Chippewa Cree Construction Corporation reserves the right to reject any and all Bids, to waive irregularities and informalities, and to award the Contract in the best interests of the Chippewa Cree Construction Corporation. The Owner reserves the right to hold the three (3) low Bids for a period of sixty (60) days after the date of the Bid opening. The work for each contract must be completed in accordance with the dates outlined in the Agreement.

The Work shall be substantially completed by October 24, 2025, and shall be completed and ready for final payment on or before December 19, 2025. Bids shall be delivered or mailed to:
